eyes on you first.)

Loma,
Well, Senior
year is just
over. I can't believe
how fast High School
has gone. Remember 10th
grade gym and how we
never went swimming & got
wells all fired up. That was
fun. I wish you & Tim all
the luck in the world. Keep
in touch this summer - (Ke 3-0164)

Tonia,
To a crazy
person that I'm
glad I've met.
Don't forget when
you first moved &
all those good
times in the
trails and
Union Lake. You've
been a good friend
and a great neighbor
I hope the best for
you in all of your
future plans.
Best Luck
Love

Cheers, tears, smiles, and laughs are displayed by the Cheerleaders through the victories and defeats of the season. Both the Varsity and J.V. squads cheer during football and basketball games as well as pep assemblies held during the year for the teams. The Varsity Cheerleaders (above) put on their masks for the Halloween football game. Coaches Mrs. Kavulich and Mrs. Teichman at a game (above right). The J.V. squad (opposite page, top left) perform a mount.

VARSITY: BOTTOM ROW: Jill Marsh, Linda Macek (Co-Capt.), Linda Mosoryak (Co-Capt.), Chris Overmeyer, Mary Jo Alexander, Colleen McBean. TOP ROW: Jean Zielke, Sue Baran.

Fore! But We Finished 3rd

1975 . . . A Long, Hard Course

The Cross Country Team's season was a bleak one, but bright spots included Co-Captains Andy Kritzman (left) and John Shannon (right) making All-League and All-Area teams. Running the long, hard course are team members Brian Alfonso and Steve Silardi (below), Jim Schwanz (below left), Rick Maxwell (below center), and girls' team captain Diane Lozon (below right).

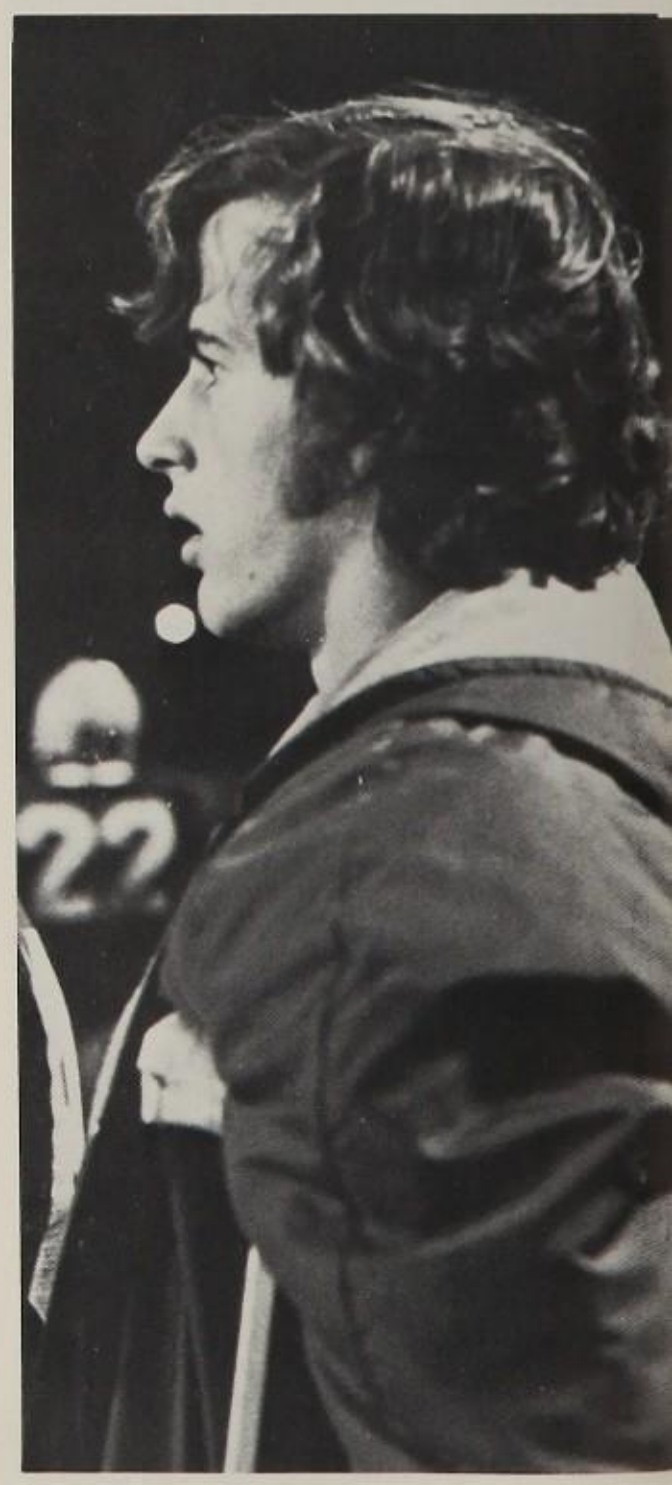
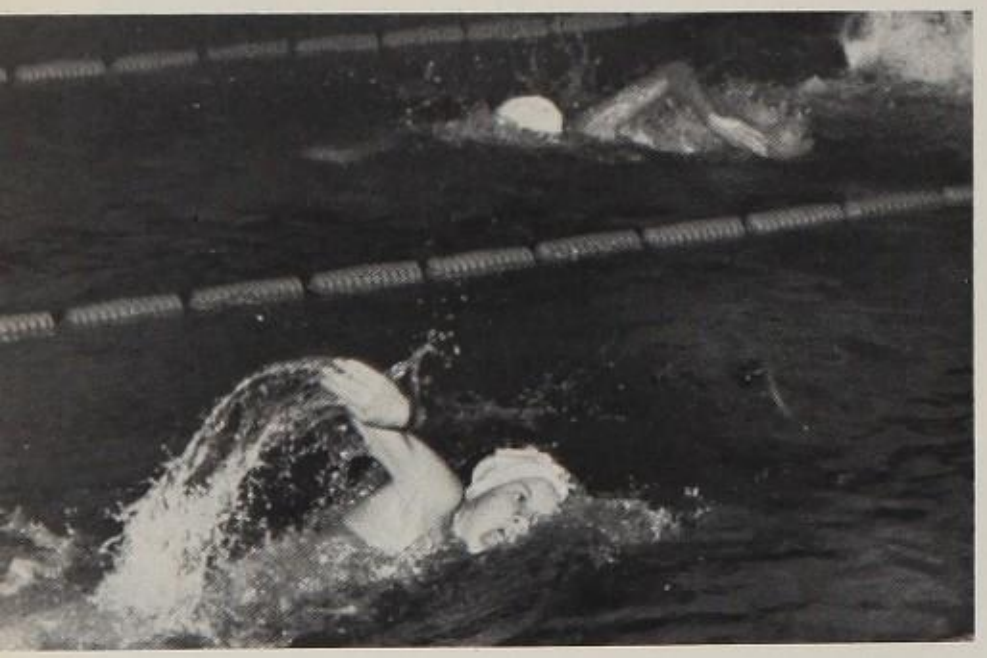
Poor Season Leaves Hope for Future



The team tackled a rough season which included injuries as well as inexperience. In spite of a losing season, seven players were awarded league honors. Honorable Mention went to Macek, Ackerman, Piette, Roberts, Lowney, and Ward. Steve Zink was named All-League 2nd team offense and defense.

Girls Swim Team Finishes Season With 7-4 Record



Contributing to a most successful Girls' Swim season was Carol Murawski, capt., (shown top left) having broken her own school record in the 100 freestyle. Also contributing greatly to the fine season was Coach Deetz, (top left), discussing the meet with Sue Hardow. (Bottom left), Joy Hocking is out in front of her competition in the 100 freestyle.

Girl Cagers Prosper; Take Third in League

The Girls' Basketball Team did an outstanding job this year. In their bid to defend their league title, they obtained a record of 14-5. Lori Slack, (top right) Linda Kosovac, (left) and Barb Brown, (top left) were three major contributors to the successful season. Above, JV players Karen Brown and Chris Schulien close in on their opponent with double coverage.

Annual Dad's Club Game: a Bareback Success

The traditional Dad's Club Donkey Basketball game was held Jan. 30. The large turnout watched the dads beat the Varsity Club boys 14-6. A new feature this year was a game between two teams of varsity senior girls which preceeded the boys' game. In addition, a motorcycle was raffled at half-time. Profits from this game benefit various school activities supported by the Dad's Club.

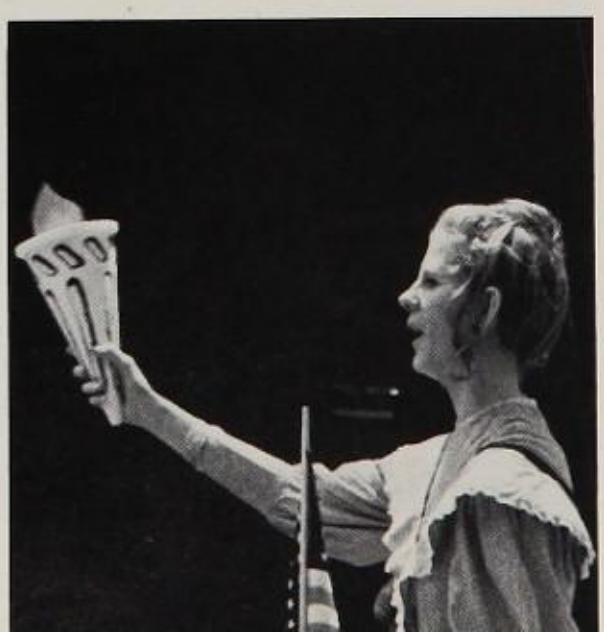
Women's Lib Conquers R.U. at Sadie Hawkins Dance

On November 1, the Class of '78 hosted a successful Sadie Hawkins Dance. Clad in hillbilly threads, R.U. students rocked to the music provided by the band, Cameeleon. Along with dancing, other highlights included good food and the presence of "Marryin' Sam" who performed numerous marriages in the Church of Dogpatch. A fun-filled evening was enjoyed by all.

76 Trombones Parade Across RU Stage

It was standing room only on November 6, 7, and 8 as R.U. students performed the popular musical, "Music Man." The drama centers around a traveling band leader, played by Clayton Parr, who tries to swindle the townspeople of River City and ends up falling in love with the librarian, played by Patty Somers. Students were guided by the stage direction of Mr. Manfred Heuser, and the vocal music direction of Mr. Eugene Dyer. The accompaniment of Redford Union's fine orchestra, directed by Mr. Donald Burman, added the final touches in providing an evening of great entertainment for all.

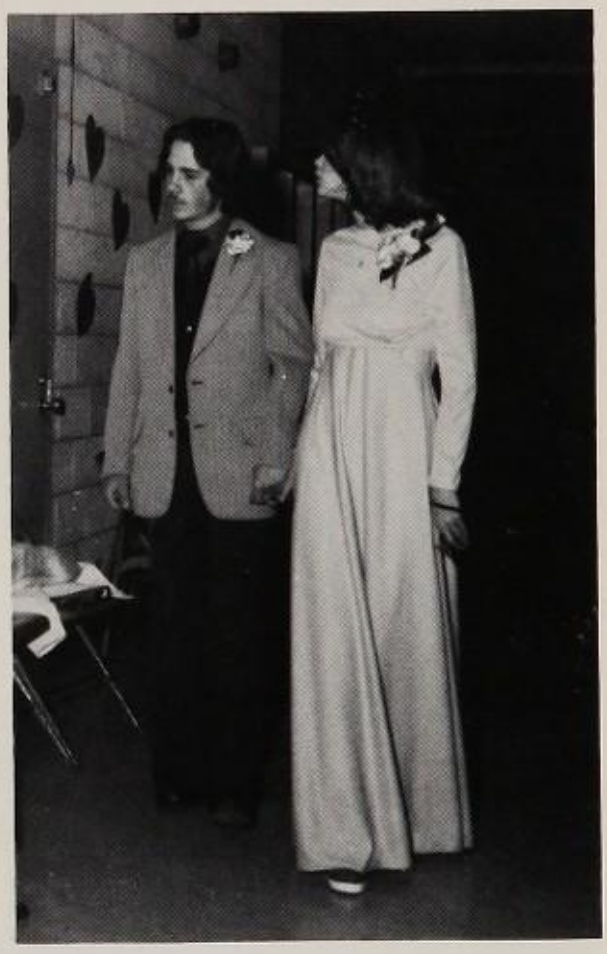


Vocalists Sing Their Hearts Out

Under the direction of Mr. Eugene Dyer, the Vocal Music Department has offered fine entertainment to RU students and their families for many years. Musical groups in the program include Concert Choir, Madrigals, Girls' Glee One and Two, Men's Glee, and Triple Trio. Along with the winter concert, these groups have received special invitations to sing at Masonic Temple and on Dennis Wholey's A.M. Detroit show. Such honors indicate the talent these students have developed through hard work.

Cupid Hits His Mark at Queen of Hearts

Cupid won the hearts of all at the annual Queen of Hearts dance held appropriately this year on Valentine's Day. The class of '77 planned an enjoyable evening of dancing for many R.U. couples. With fine musical entertainment provided by the Holden Caulfield band, the night proved to be a huge success.



The RU Bicentennial March Is On

No assembly, game, or dance would be complete without the musical talent of the Redford Union Band. Much of the credit to the success of the marching band is due to the direction of Mr. Donald Burman. Under his guidance, these students contribute many hours to practice in order to develop that creative style which has long been characteristic of this band. This year, in addition to providing half-time entertainment at the football games and taking part in parades, the RU band has had the privilege of performing at Pontiac Stadium. The band is currently planning a trip to our sister-city, St. Johann, Austria.

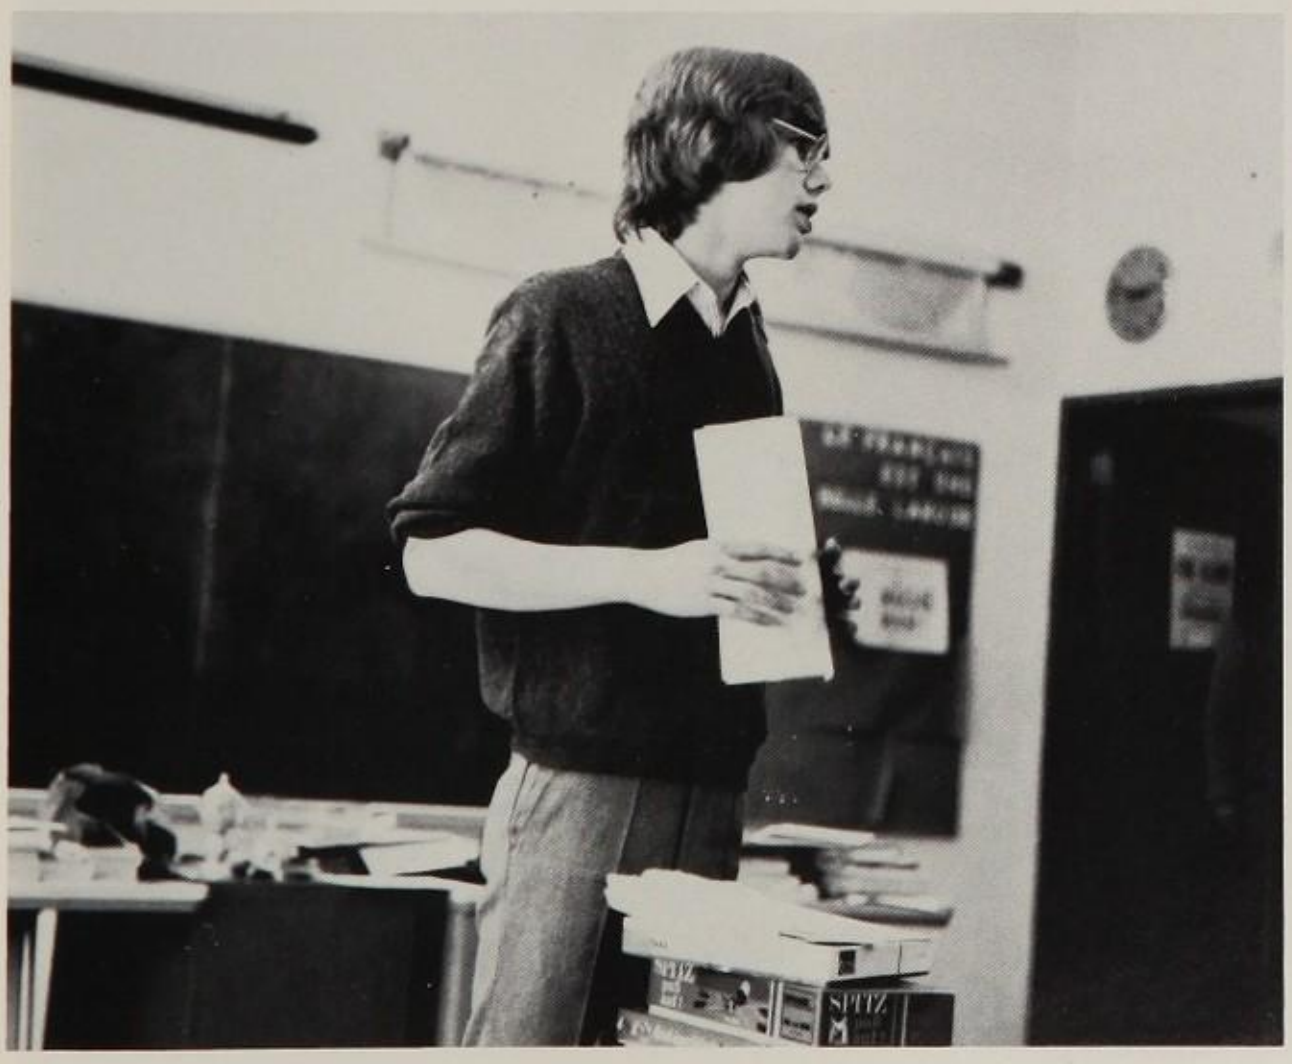
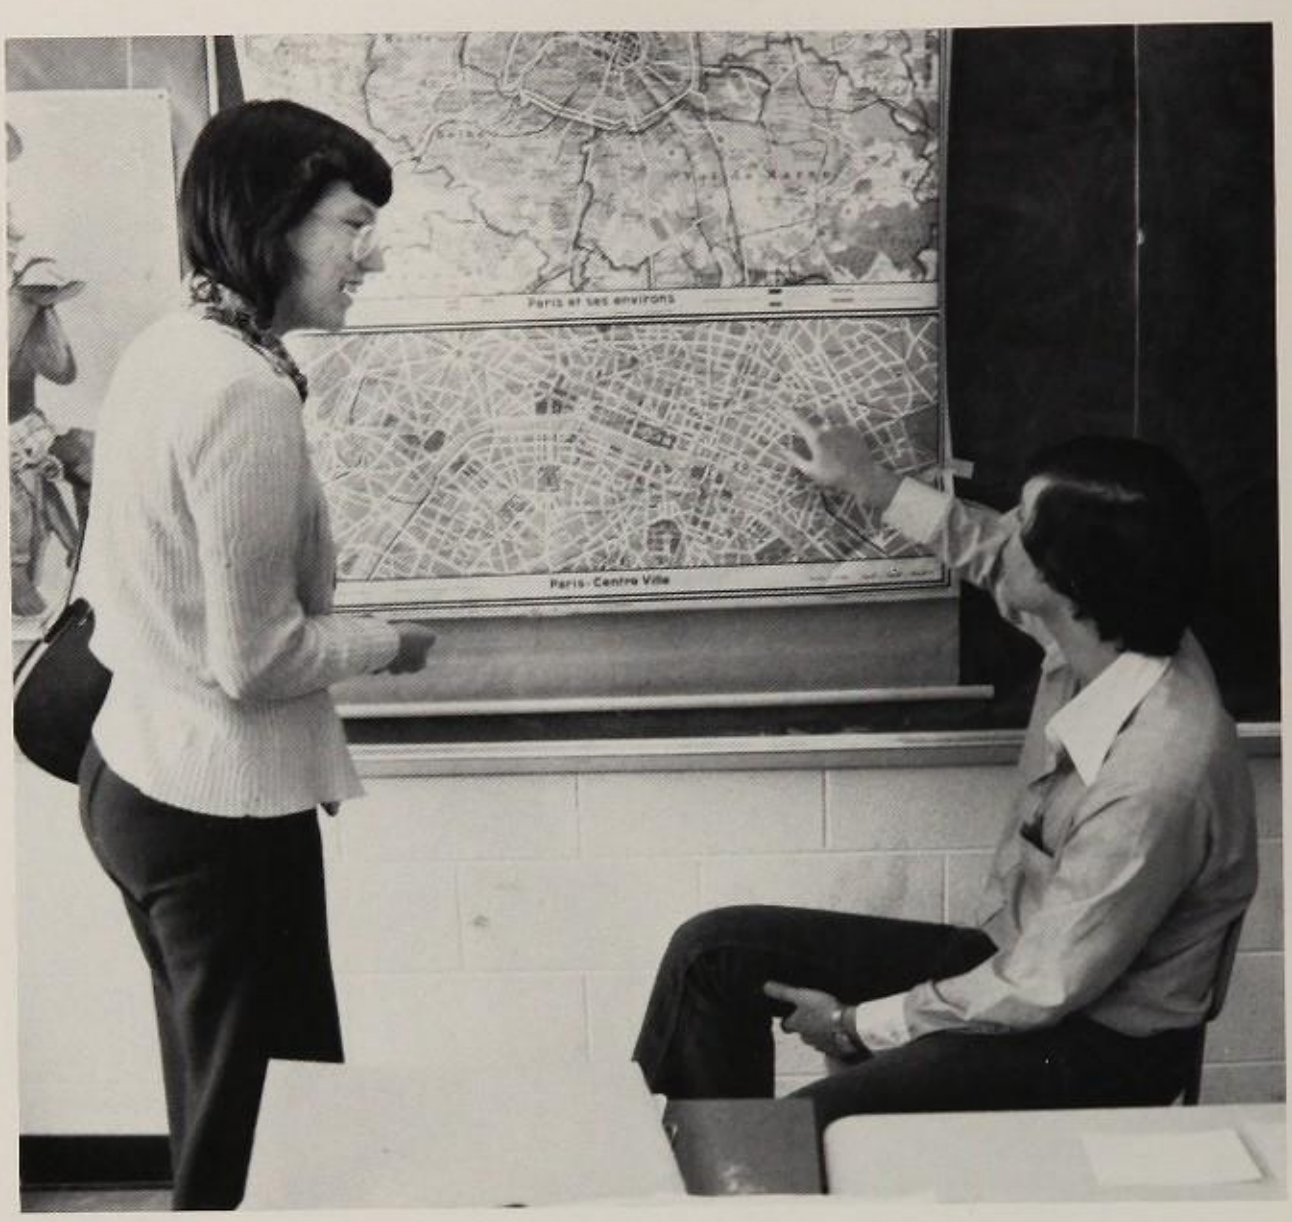
A Touch of Deutsch Thrives at RU

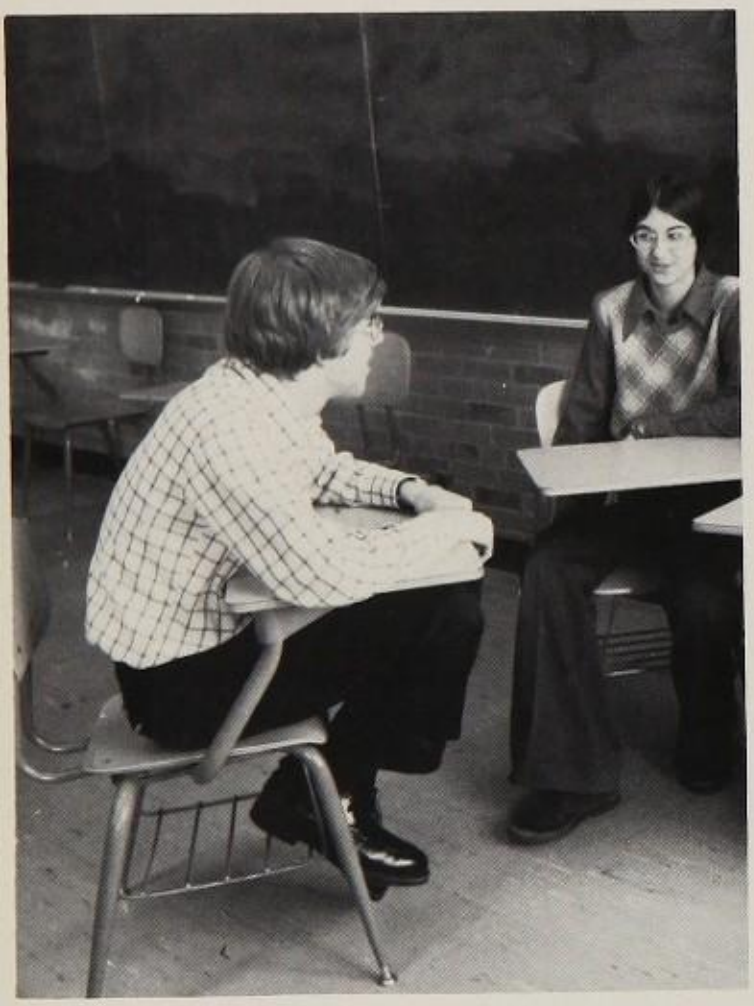
The RU German Club, sponsored by Mr. Heuser, contributes to the cultural education of its members. The students who participate in this activity learn about foods by dining at German restaurants. The club spreads German culture to the school by selling streudel. The club meetings feature German games and music.



French Lifestyle and Customs Explored

Students wishing to learn about the French lifestyle and customs have formed the French Club. Members who are now studying the language, have eaten at French restaurants and viewed famous French paintings at the Detroit Art Institute. To support such activities, the club has French pastry bake sales which the students look forward to each year.



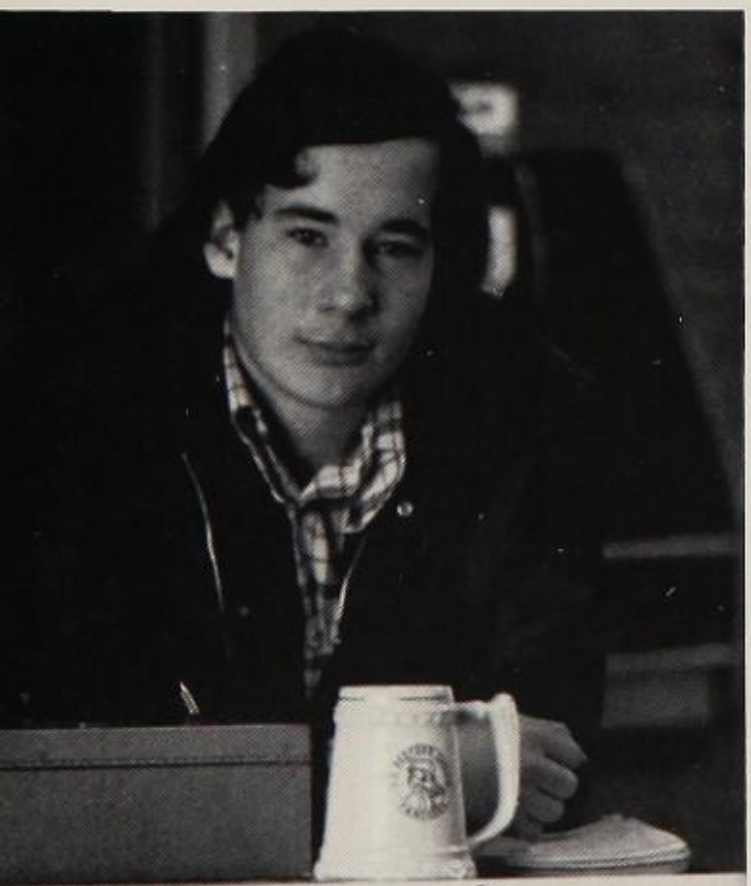


Students Spread Español at RU

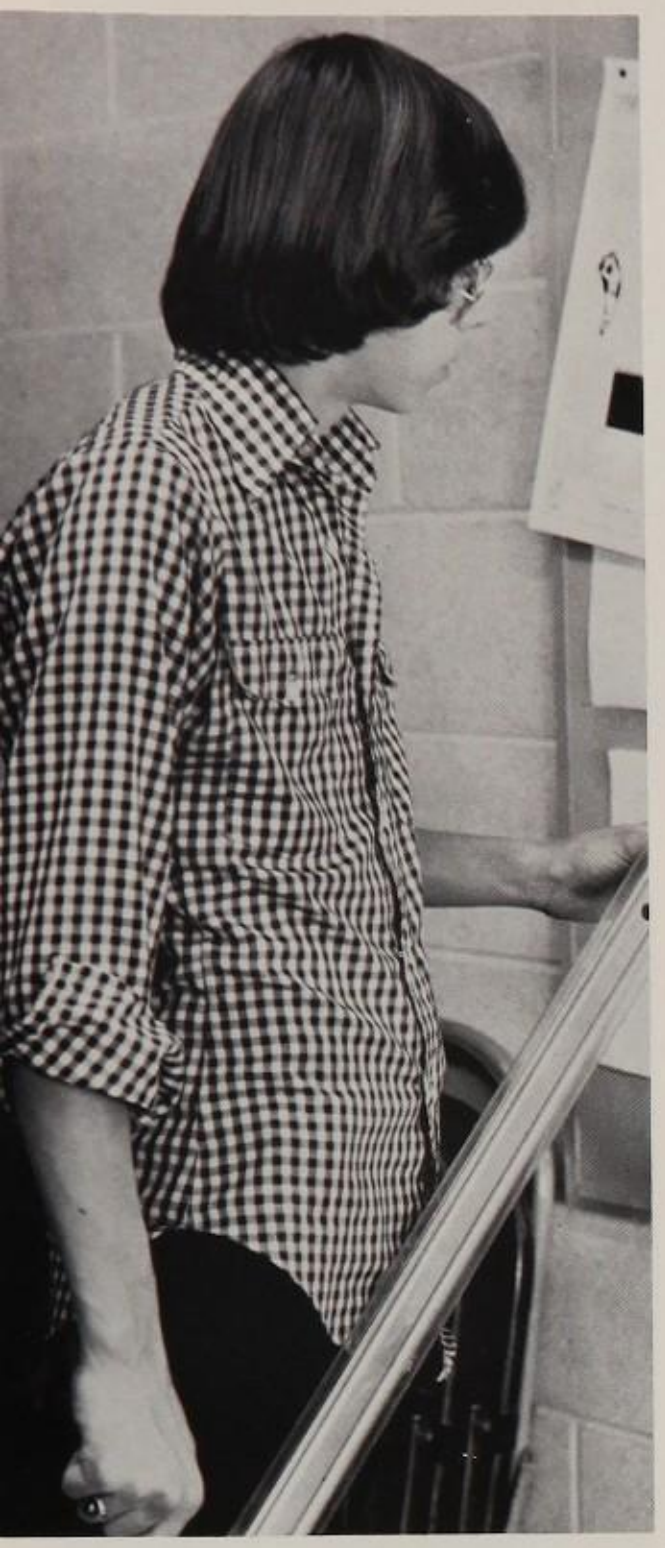
The RU Spanish Club is quite an enterprising group. Sponsored by Mrs. Nash, the Spanish Club members sold such items as stationery, and social calendars to raise funds. The group plans include an authentic Spanish dinner.

The Pantagination Staff Pages Creative RU Students

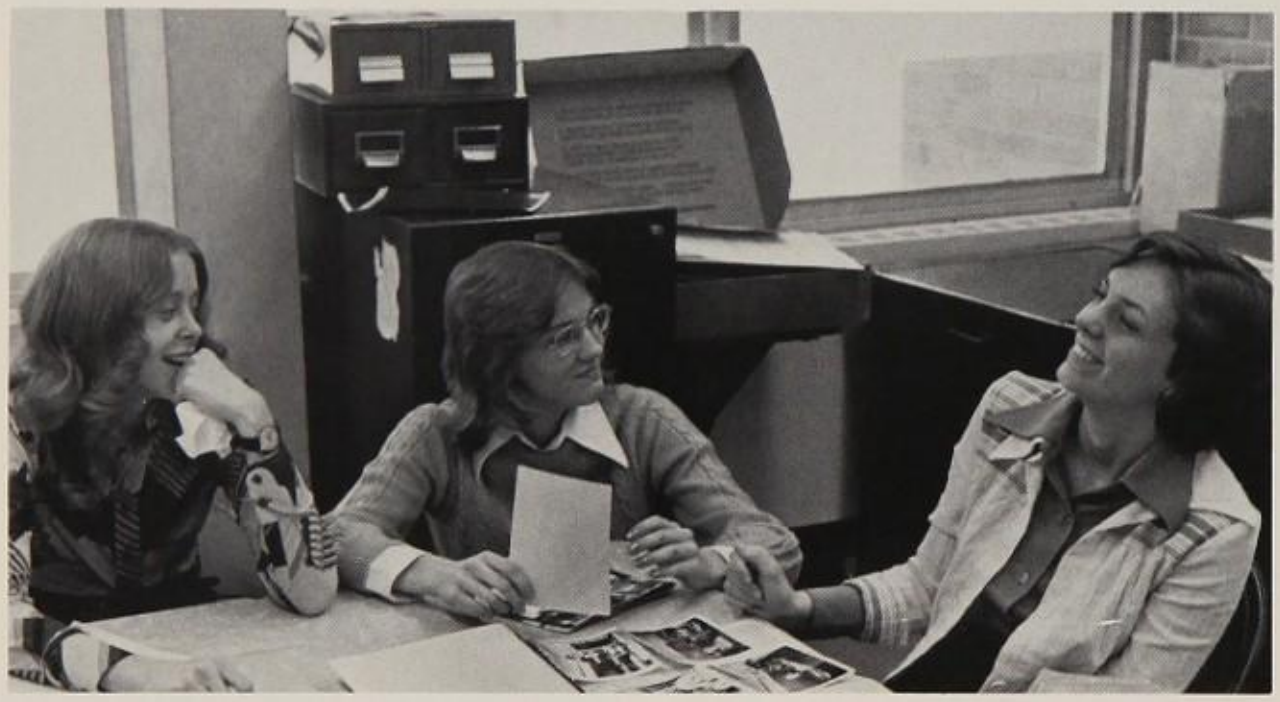
A staff of dedicated Redford Union students sacrifice much of their time to produce the unique literary magazine Pantagination. In keeping with the bicentennial theme, the Pantagination staff selected compositions, poems, and artistic works contributed by Redford Union students. Organized by Mrs. Mary Ann Hudnut, the magazine staff works hard throughout the year to sell mugs, rings, and other miscellaneous items which help defray the cost of publishing the book.

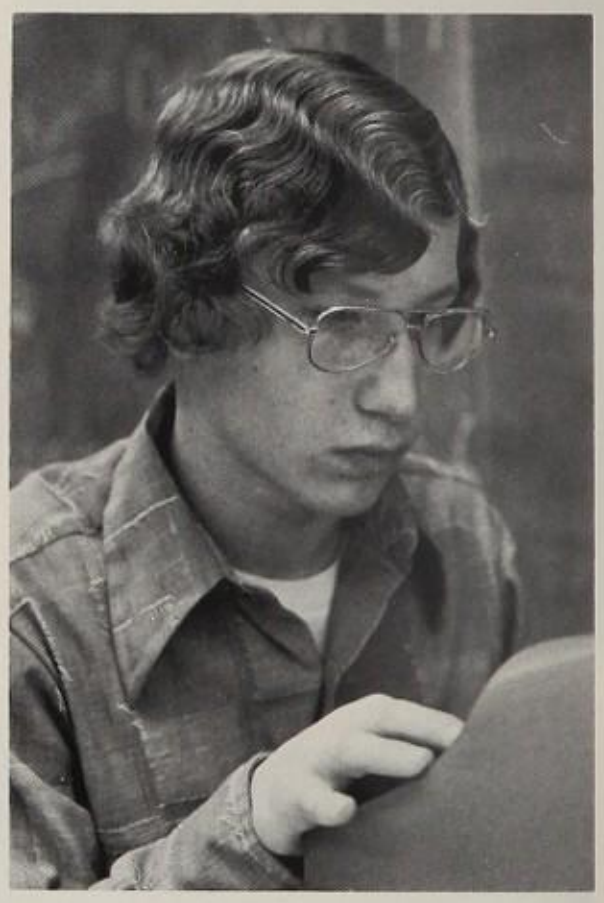


Journalism Staff Gives RU the RUSH



Led by Mrs. Diane Scott, the journalism staff works hard throughout the year to produce the school newspaper, the RUSH. With their combined writing and photography skills, these students publish a monthly paper with such features as sports, current events, and human interest stories. The appeal of the RUSH among students and the faculty is evident as the paper has sold successfully each time it has come off the press. The successful sale is partially due to new promotional techniques which include raffles for concert tickets and interviews with famous television and music personalities.



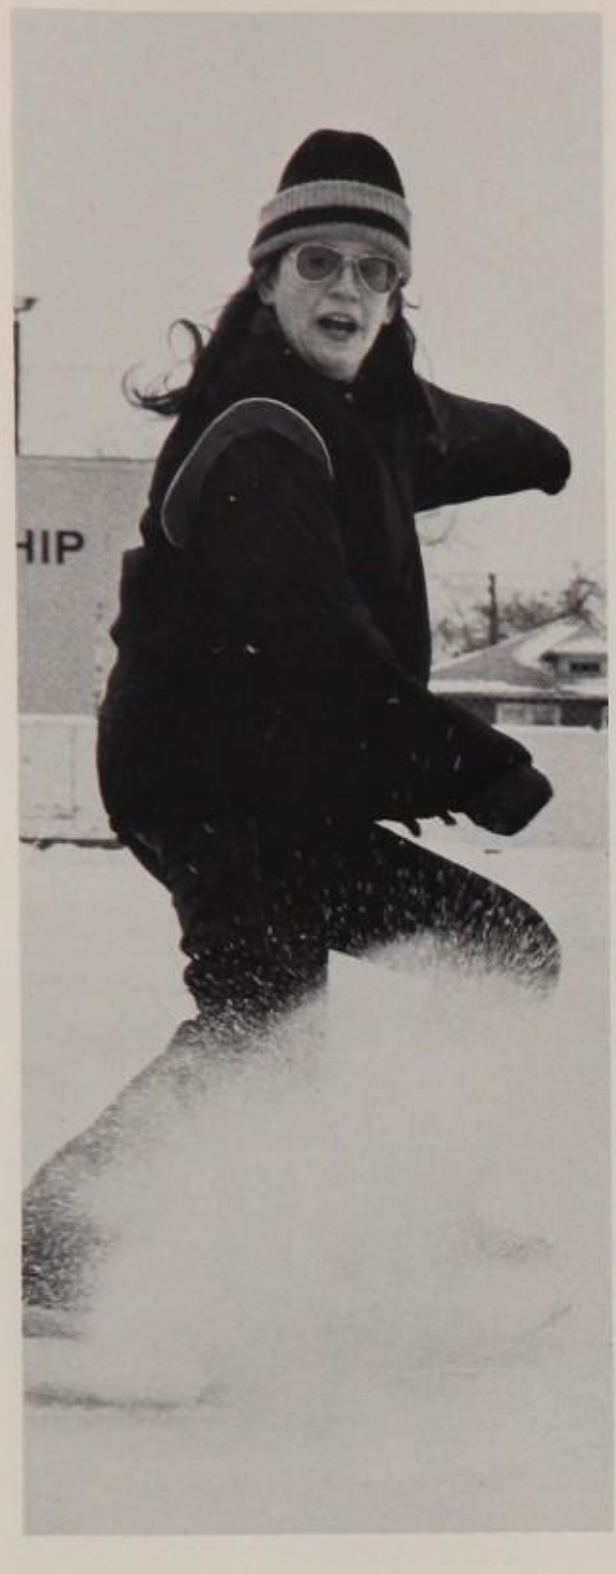


We Captured the Games People Play

The Redford Union Annual staff, and advisor Frank Fekete are a group of people who sacrifice many hours in order to complete the yearbook. After photographs have been taken and copy has been written, the staff tackles the most difficult job of putting it all together to meet important deadlines. In large part, the success of the yearbook is due to the creative talent of these students.

GAA Hits the Gym After School for Fun

The Girls' Athletic Association of Redford Union meets every Friday to compete in different sporting activities. This enthusiastic group, sponsored by Mrs. Wanda Ferguson, participates in such sports as bowling, volleyball, basketball, field hockey, and ice skating. In addition to their athletic activities, G.A.A. has made a special contribution to the school by purchasing a water cooler for the girls' gym locker room.



Photos Galore and More

Students who enjoy the hobby of photography have formed a club to further this interest. Sponsored by Mr. Fekete, the members are expanding their abilities in such skills as composition, developing, and printing. Projects this year included learning portrait photography and learning to exhibit photographs.

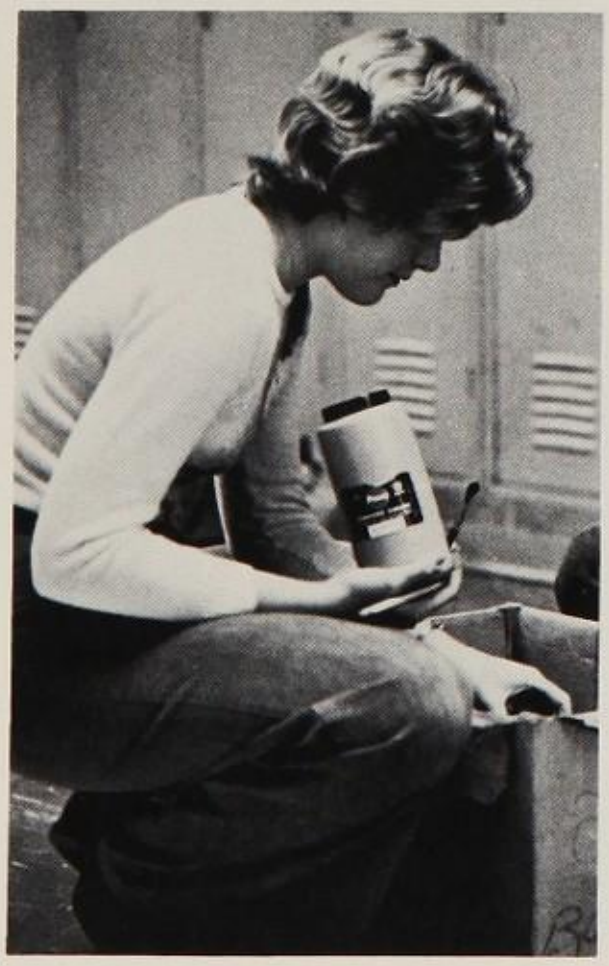
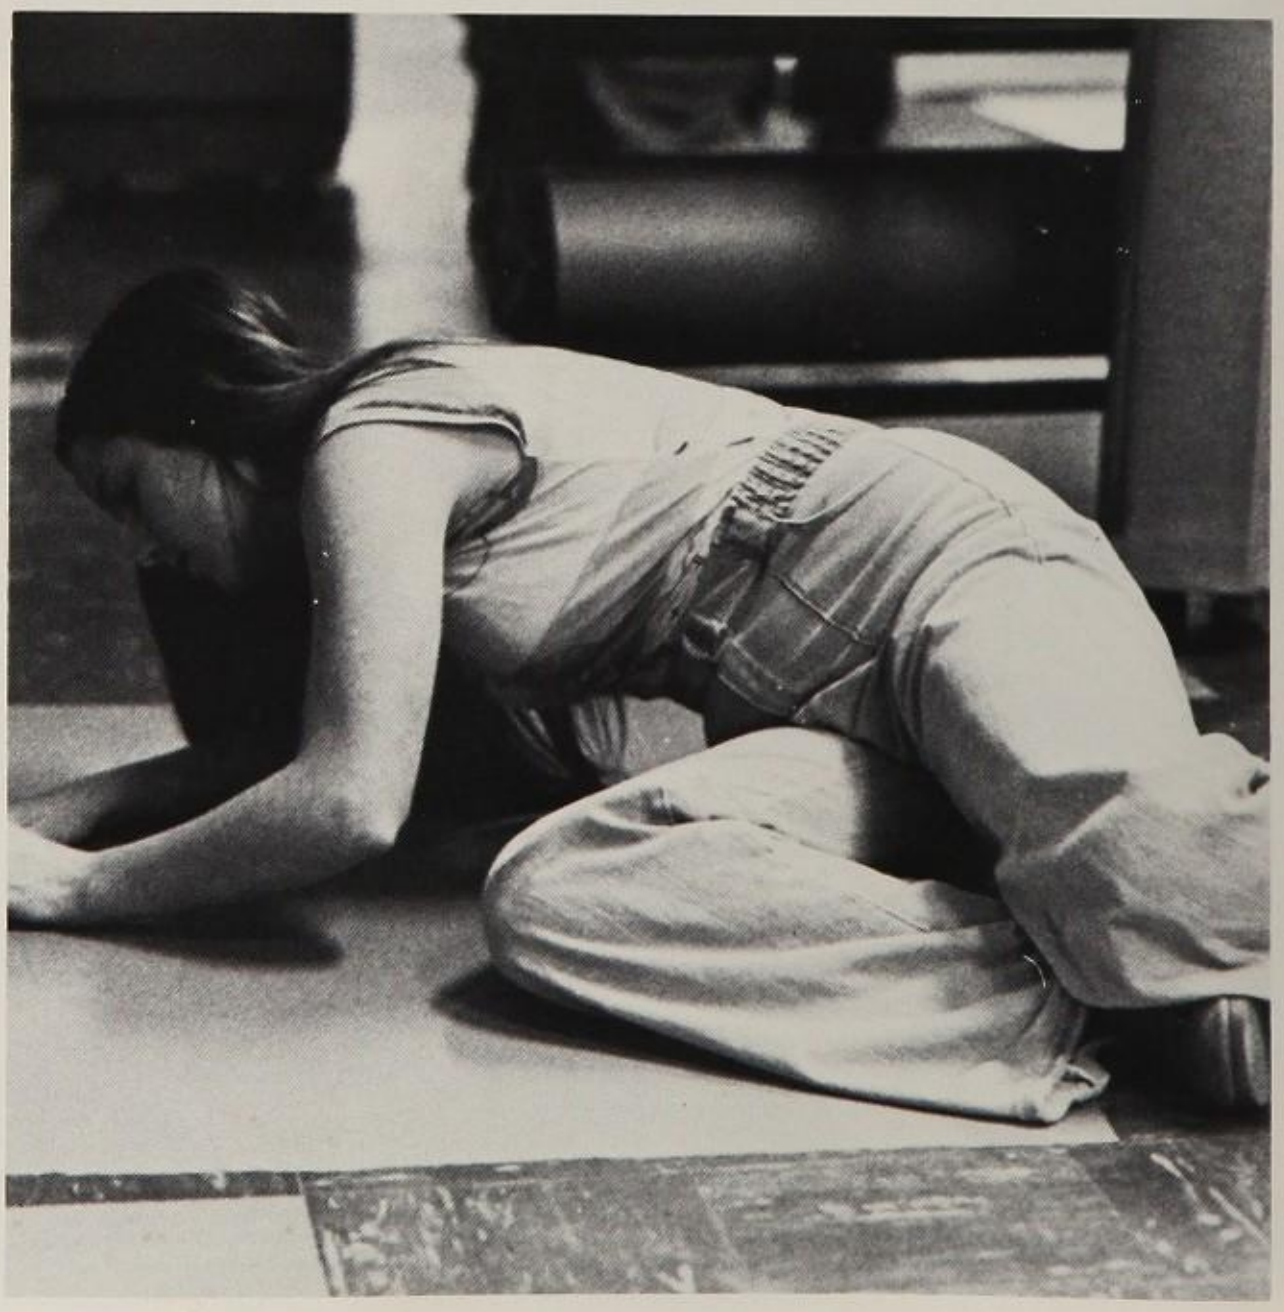
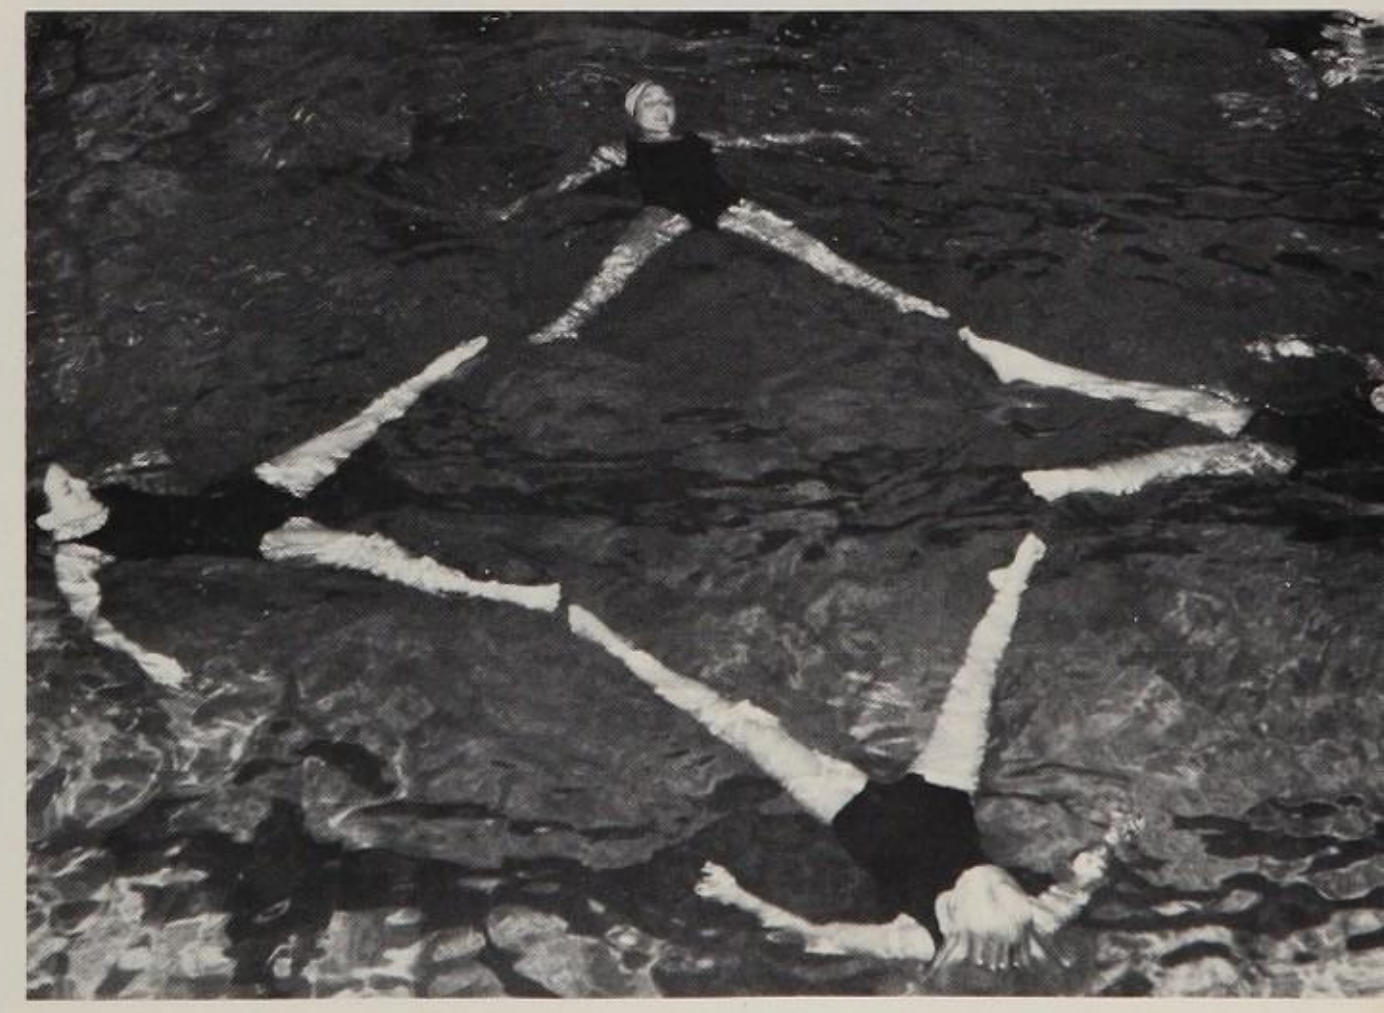
Up Up With Spirit

Much of that unquenchable spirit that supports every RU athletic team is due to an enthusiastic group of kids who have formed the Pep Club. The group, and sponsor Miss Hassan, works hard to promote school spirit by painting signs for the different teams as well as selling buttons and pompoms.





Ruettes Snag 'em Hook, Line, and Sinker



Swim Timers Set a Fast Pace for RU

The Swim Timers give many after-school hours in order to chart the progress of swimmers at the meets. In addition to the regular swimming meets, they help out at the all-day suburban tournaments. The task of timing requires accurate stop-watch reading, especially when a tie situation presents itself. Sponsored by Mr. Dietz, the Swim Timers help out at both the boys and girls swim meets.

Dance Club Keeps RU on Its Toes

Sponsored by Mrs. MaryAnn Hudnut, interested Redford Union students got together and formed a dance club. The club meets every Monday night to learn and practice new dance steps ranging from contemporary to rock and jazz. The dance club plans included several shows, topped off by their performance at the annual Christmas Tea.

RU Varsity Club Sells-Out at Games

The Redford Union Varsity Club, which is sponsored by Mr. Atkins, is dedicated to advancing the RU athletic program. Included among the activities in which they participate are the sponsoring of dances and the selling of refreshments at home basketball games.

Well right off the bat you'll probably think I'm going to write
something mean and nasty, Right? Well you're wrong! Cause there
is nothing mean and nasty to say about you. Donia you're a
great person with a super personality, and I'm glad were good
friends, and hope to be for a long time. Remember all the good
times; well a few or three times when we all got together (you, Jim
Mark & me) drinking Jachellie (can't spell it but you know what I mean)
and having a get down good time of partying. Well were going to
keep on doing it! Best of luck to you in the future and I hope
you and Jim will make the best out of life; even though I know
you will. Don't forget math class with Mr. Rob Hollandworth.

Keep in Touch & God Bless ya

Loma,

Youre a very sweet
girl with a special talent
called "insight". You can
see a lot of things in/about
people that aren't right there
on the surface. Cultivate this
"talent", Loma. It's a good one to
have. I wish you much happiness —
take care of yourself.
